Statement of ownership, management and circulation required by the Act of October 23, 1962, Section 4369, Title 39, United States Code; of Journal of Colloid and Interface Science.

Published monthly at Mt. Royal and Guilford Avenues, Baltimore, Maryland 21202 for Academic Press, Inc., 111 Fifth Avenue, New York, N. Y. 10003.

Editors: Milton Kerker, Clarkson College of Technology, Potsdam, N. Y. 13676; A. C. Zettlemoyer, Lehigh University, Bethlehem, Penna. 18015.

Owned by Walter J. Johnson and Thekla Johnson, 111 Fifth Avenue, New York, N. Y. 10003

Known bondholders, mortgagees, and other security holders owning or holding 1 percent or more of total amount of bonds, mortgages or other securities: none. Paragraphs 2 and 3 include, in cases where the stockholder or security holder appears upon the books of the company as trustee or in any other fiduciary relation, the name of the person or corporation for whom such trustee is acting, also the statements in the two paragraphs show the affiant's full knowledge and belief as to the circumstances and conditions under which stockholders and security holders who do not appear upon the books of the company as trustees, hold stock and securities in a capacity other than that of a bona fide owner. Names and addresses of individuals who are stockholders of a corporation which itself is a stockholder or holder of bonds, mortgages or other securities of the publishing corporation have been included in paragraphs 2 and 3 when the interests of such individuals are equivalent to 1 percent or more of the total amount of the stock or securities of the publishing corporation. Total no. of copies printed, average no. copies each issue during preceding 12 months: 2300; single issue nearest to filing date: 2300. Paid circulation (a) to term subscribers by mail, carrier delivery or by other means, average no. copies each issue during preceding 12 months: 1928; single issue nearest to filing date: 1971. (b) Sales through agents, news dealers, or otherwise, average no. copies each issue during preceding 12 months: none; single issue nearest to filing date: none. Free distribution by mail, carrier delivery, or by other means, average no. copies each issue during preceding 12 months: 28; single issue nearest to filing date: 28. Total no. of copies distributed, average no. copies each issue during preceding 12 months: 1956; single issue nearest to filing date: 1999.
